

Subject: Additional information in relation to the SURFnet Request for Information Document for a SURFnet8 Industry Partner

Date: October 20, 2015

Dear Madam/Sir,

Please find herewith the answers of general interest to all questions received, so far, concerning the above-mentioned Request for Information Document. This information is given to all companies that have shown interest during the market consultation phase. Insofar this note contains modification and/or additions to the Request for Information Document and/or previous Q&A documents, the text in this note prevails.

Kind regards,  
Jac Kloots  
SURFnet

#	Question	Answer
1.	Can SURFnet provide the current status of the review?	<p>SURFnet received a lot of responses on the SURFnet8 RFI. We're still in the progress of evaluating all the responses.</p> <p>Once we have a good overview of the responses we will start inviting respondents to further clarify their response on the RFI.</p> <p>It will at least take till the end of this month before we will start inviting parties.</p>
