Date 10 December 2015
Subject Extension of review term C-ITS project specifications

Our reference

Your reference

Enclosure(s)

Dear sir / madam,

The review term for the C-ITS specifications which expires today will be extended until 24th of December 2015.

Any feedback or comments on our first release of the specifications is very much appreciated. Please note the review form consists of 4 sheets, one for each specification document. These 4 documents have also been published on TenderNed.

If you wish to discuss your comments in-depth with our technical team, please request for a review board meeting. We encourage you to do so.

Please return your review form by emailing it no later than December 24th 2015 to the following email address: c-its-corridor@rws.nl.

Yours sincerely,

Thomas van Egmond
Contract manager C-ITS Corridor
