

RFI - Unmanned and Unattended Ground Sensors

Number	Question:	Answer:
1	1. You write that the response shall use the enclosed " <i>question and answer form</i> ". Does this mean that you do not expect the response to include any general/specific stand-alone descriptive documents or brochures describing our capabilities? That means, all information included in the RFI response will be presented as answers to your direct questions?	Information provided in an addition to the answer form will also be evaluated.
2	2. In question 19 you write " <i>Please describe your vision upon maintenance of during interoperability operations.</i> ". Can you please elaborate what you mean with this.	We would like to hear your recommendation of the most suitable maintenance solution, considering how we intend to use your product.
3	Because of the late publication on TED. It is allowed to ask question about the RFI until the 18th of November 2016
