#### II.1.4) Short description

Developing a travel app with personal and social features is an important intention for Eurail Group G.I.E. This Market Consultation aims at investigating what potential solutions currently exist in the market for this project. The three key requirements for this mobile app are:

- Enhance the travel experience of Eurail/Interrail Pass customers with relevant social app features
- Integration with other IT projects to create one face to customers
- Offer content offline & online to ensure the best user-experience

According to its Mission Statement, Eurail Group aims to be a "Tourism-oriented Provider of a Lifetime Experience". With the PACT (Personal App for Connecting Travellers) Project, Eurail Group intends to help bring this mission to life and develop an "all-in-one travel companion" app which adds value to current and potential Eurail & Interrail customers. Having socialisation as a key component of the app will also allow customers to connect with...
